CONDITIONS AND REGULATIONS – BRIEF EDITION

- Mooring fees are paid in advance. Reservations are confirmed when 100% of the fees are paid. Marina follows a no-refund policy.
- Canceled reservations can not be refunded. The reservations are not amendable.
- Upon arrival, all vessels must tune to channel 71 on VHF and contact the marina office before entering the marina to get instructions.
- Entering the marina, mooring and use of the marina facilities shall be possible for both professional and private boats.
- All the boats moored in the marina shall be insured during their whole stay at the marina.
- Boats may sail within the sea zone of the marina at a maximum speed of 5 knots. Vessels shall not enter the marina with use of their sails.
- The use of anchor is prohibited into the marina.
- The mooring spaces shall be made available by the responsible department, which shall be free to make any necessary changes in the spaces to meet the demands of the marina.
- The captain/skipper of the vessel at the time of its arrival is responsible for any and all damages etc. at the time of its attempt to berth. Preveza Marina's staff, the marineros, are there to help, advise and assist in any way.
- Immediately after arrival in the marina, the captain of the boat shall come to the office with all necessary documents (registration, insurance and captain's/owner's passport) in order to check in.
- Customers have to inform the staff for the schedule of the boat as well as any problems, loss or damage.
- During their stay in the marina all boats should be supplied with the necessary safety equipment (dinghies, fire systems, safety torches).
- Customers should inform the office and staff of the marina for their departure, either at the reception or by contacting the marineros at VHF channel 71. They can ask for help at any time at the above-mentioned channel.
- The marina can use the berthing position of any vessel while it is absent.
- The owner or the captain of the boat should inform the office, if is going to be absent more than 24 hours.
- Customers are advised to leave a spare set of keys at the reception of the Marina if they are going to be absent for a long period of time, in case of emergency.
- The production of any noise that may disturb the guests of marina is prohibited. Boat maintenance and repairs shall be allowed between 09.00 – 14.00 and 18.00 – 20.00 every day.
- It is prohibited to make needless use of engines or motors during the stay in the marina.
- The parking lot inside the marina is available only for customers and according to the pricelist of the marina. Vehicles from technicians / visitors should be parked outside of Preveza Marina premises.
- Speed limit of all vehicles inside the Marina is 10 Km/h.
- Preveza Marina is not responsible for things that you leave on top of your boat or at the piers.
- All customers should respect the facilities according to the instructions issued by the responsible departments.
- All shower facilities at Blocks 1, 3 & 5, as well as the laundry room at Block 3, are available for our customers only, with an access card. Customers of the marina may purchase their cards from the reception. (maximum 4 cards per boat / Charge per card 5,00€)
- The self-service washing / drying machines need euros in coins to operate. Any misuse or money loss are not refunded.
- Please keep the self-service washing/drying machines, showers and toilets clean. Do not put ropes or carpets inside them.
- Please keep the piers clean, tidy and without any obstacles. Use of bicycles on the piers is not allowed.
- All waste materials should be put in the recommended places along the inner road of the marina. There are bins for general waste, recycling and a dedicated space for batteries, electrical/electronic waste, bilge water and oils.
- It is prohibited to dispose any kind of materials or items that can pollute the sea.
- Emptying the contents of the hulls or the water waste into the sea zone of the marina and in a perimeter of 3 miles is strictly prohibited.
- The use of toilets inside the sea zone of the marina is prohibited.
- All vessels shall be supplied fuel only at the marina's fuel station. No tank cars for refueling are allowed inside the premises of the marina.
- During long period mooring the sails should come down. The marina has no responsibility whatsoever in case of any damage.
- Please inform the marina office if you leave electricity connected to your boat and you are not present.
- Please inform the office if your boat is for sale.
- If you need any kind of work to be done in your boat from our staff, you must first consult the office.
- No one else, besides the owner of the boat and the marina's staff, is allowed to access the boats. The customer should inform the office if someone is visiting the boat and relevant formal authorization should be given.
- Deliveries of any kind of goods from super-markets, café, restaurants and relevant businesses are not allowed inside the premises of the marina, by any mean of transport or way, except the mini market / café / restaurants located inside the marina.
- Companies that have offices inside the marina premises may have exclusivity in some kind of works inside the marina (for example cleaning companies) and no external contractors will be permitted to enter the marina to do that kind of works in any vessels. You can be informed in detail about the above from our reception.
- Preveza Marina is organizing all, and any kind of technical/maintenance/repair works in vessels present in the marina. Outside contractors (technicians etc) can work in the marina only with the approval of the marina, and after the owner has informed the office, only in the case that the marina's technical base and/or affiliates cannot cover the work in question. In cases of work under warranty/guarantee then, and always after consulting with the reception with the exact date and information, a representative of the company in question can be permitted to do any work inside the marina. If the above procedure is not followed, the marina has the right to deny entrance to any external contractors.

The above are according to the Port Authorities and the insurance company. If the owners do not comply with all the above, the marinas' insurance is not valid and they are responsible for any damage.
